Do You Suffer From Acute or Migraine Headaches?

INSTANT RELIEF IS AVAILABLE!

AS SIMPLE AS A NASAL SPRAY

With the MiRx Protocol, the solution is as simple as a nasal spray. The procedure isn't painful and takes less than 30 seconds to provide long lasting relief.

PROVIDES LONG LASTING RELIEF FOR

- *Migraine Headaches*
- *Tension Headaches*
- *Cluster Headache*

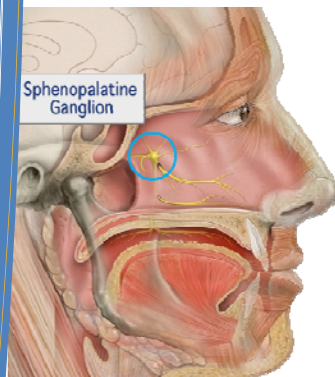

Health Care Institute *Simplifying Health Care*

The Tx360® Nasal Applicator is used through the nasal cavity to reach the Sphenopalatine Ganglion nerve the source of pain. Tx360™ nasal applicator has a soft flexible extension that allows the anesthetic agent to be painlessly sprayed directly on to the Sphenopalatine Ganglion nerve.

Tx360® Nasal Applicator

A Whole New Approach to Headache Relief

- ***SIMPLE AS A NASAL SPRAY***
- ***PAINLESS***
- ***FAST AND SAFE, WITH NO SIDE AFFECTS***
- ***INSTANT MIGRAINE RELIEF***
